To promote the use of sustainable cleaning solutions in facilities.

Ref. STBE01

SUSTAINABLE DEVELOPMENT MEANS BUILDING A SOCIETY THAT IS ABLE TO GROW WITHOUT COMPROMISING THE FUTURE FOR THE NEXT GENERATION.

ORAPI HYGIENE HAS A CLEAR ENVIRONMENTAL POLICY AND IS COMMITTED TO RESPECTING NATURE:

- By choosing products that combine **performance, green credentials, and safety**,
- By choosing formulae **whose ingredients limit the production of harmful waste**,
- By choosing packaging that **reduces waste and encourages recycling**.

ORAPI BRINGS YOU **BIOTECHNOLOGICAL PRODUCTS** THAT ARE HIGHLY EFFECTIVE AND FREE FROM RISKS TO SURFACES AND USERS, AND THAT ARE ALSO AFFORDABLE DUE TO BEING HIGHLY CONCENTRATED.

Unique ingredients: specific bacteria + fermented extracts + biodegradable solubility agents.

A full range of effective, versatile cleaning products with a long-lasting action that combines safe use with minimal environmental impact

Using BE ORAPI range means you need to use less products on your site; simplifying staff training, limiting errors, reducing packaging waste, and improving the productivity and well-being of your staff.

BE ORAPI PRODUCTS INCLUDE
